

CAREER LAUNCHER: ARTSCAPE YOUNGPLACE

ARTSCAPE
YOUNGPLACE

OPPORTUNITY DESCRIPTION

The Centre for Emerging Artists and Designers (CEAD) is excited to announce the 3rd annual Artscape Youngplace Career Launcher for graduating Photography students. This year, students are offered the opportunity to participate in an extended group exhibition in the Hallway Galleries of Artscape Youngplace. The curatorial team at Artscape will work with faculty and CEAD to transform the Hallway Galleries into a showcase of emerging contemporary photographic practices, for select recipients.

As part of the Career Launcher, a jury comprised of faculty members and the curatorial committee at Youngplace will select an artist from the group exhibition and award them a solo show in 2017. The solo show recipient will be provided complimentary access to Youngplace's Flex Studio facilities in order to help realize their exhibition of new work. In addition, an essay will be commissioned from an upper-year student from the CRCP program to accompany the solo exhibition.

QUALIFICATIONS

- Must be a Photography student in their graduating year
- Must be available in Summer 2016 to be involved in this opportunity

SUBMISSION REQUIREMENTS
