

4th Year Epson Award

EPSON_{AWARD}

Thanks to the generosity of Epson Canada and our supportive local representative **Andrew Patrick**, OCAD U's Photography Program is pleased to announce that Epson is donating **2 Epson P800, 17" wide printers** to 2 Photo majors enrolled in either Directed Photo Studio or Photo Thesis during 2017/2018.

Eligibility:

- Open to undergraduate Photography majors who are currently enrolled in the Photo Directed Studio or Thesis Stream.
- Applicants must have a practice that incorporates digital output such as digital negatives or prints.
- Open to students with diverse career goals.

Applications must be submitted by email before **Friday, April 9th at midnight with copies to: bastman@faculty.ocadu.ca and psramek@ocadu.ca**

In the subject line, note **your name and Epson Award Application. Results will be announced in mid-April..**

Submissions: MUST BE A SINGLE PDF FORMAT AND INCLUDE THE FOLLOWING.

- Your name, email and the 4th year course you were enrolled in.
- 250 words (maximum) explaining why you want this Epson printer and how it will be an asset to your future career goals
- 5 to 10 examples of your strongest work that is created using a digital component (example: the final print may be a digital print or the work could be created using a digital negative). The selected images can be from a single series or diverse bodies of work.
- Place only 1 image per page and under each visual, include:
 - Title, date of creation & scale
 - Medium: example: Inkjet print on Epson Paper mounted on dibond
 - Additional details if needed: example: "This cyanotype was created using a digital negative."
